GOVERNOR IS AFTER THE BAD DRUGGISTS

Gov. Marshall Proposes to Put the Blind Tiger Drug Stores Out of Business If Possible.

Indianapolis, April 19.—Governor Marshall today sent an order to the state board of pharmacy to revoke the state pharmacy license of any druggist found persistently violating liquor laws. He says his legal clerk, Burt New, gave an opinion that any person that holds such license for the main purpose of dealing in intoxicating liquors is guilty of such immoral conduct as justifies revoking his license as a pharmacist. Many complaining reports have been made to the governor from over the state.

Ask Jess About It.

"We couldn't learn all the facts, but Jess Stockman can tell you the rest. Jess was at Bourbon Sunday night and missed his train home. He did the next best thing—took the side door palace express. The "express" however, failed to stop at Plymouth and it was not until it struck the "big hill" near Donaldson that it slowed down enough to allow Jess to drop off. It was only five miles to Plymouth, but he likes to walk, he says.

Averts Awful Tragedy.

Timely advice given Mrs. C. Wiloughby, of Marengo, Wis., (R. No. 1) prevented a dreadful tragedy and saved two lives. Doctors had said her frightful cough was a "consumption" cough and could do little to help her. After many remedies failed, her aunt urged her to take Dr. King's New Discovery. "I have been using it for some time," she wrote "and the awful cough has almost gone. It also saved my little boy when taken with a severe bronchial trouble." This matchless medicine has no equal for throat and lung troubles. Price 50c and \$1.00. Trial bottle free. Guaranteed.

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases.

It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trifle with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.,—take the advice received and be well.
